Proclamation

National Phlebotomy Technicians Recognition Week

June 24 - 28, 2024

WHEREAS this week we recognize the essential contributions of phlebotomy technicians, certified health professionals who specialize in drawing blood samples to help diagnose health conditions and illnesses, for blood donations, transfusions and research purposes.

Phlebotomists are an important part of our healthcare system as frontline workers who help maintain patient health and lab efficiency. Phlebotomists create a professional and comforting atmosphere for patients, ensuring they receive the most effective treatments available.

The City of Toronto gratefully acknowledges the valued contributions of phlebotomists and all those whose hard work and dedication improves the health and wellbeing of our residents.

NOW THEREFORE, I, Mayor Olivia Chow, on behalf of Toronto City Council, do hereby proclaim **June 24-28, 2024** as "**National Phlebotomy Technicians Recognition Week**" in the City of Toronto.

A handwritten signature in blue ink, appearing to read 'Olivia Chow'.

Olivia Chow
Mayor of Toronto
